(Custom Formats) Site Code _____ City Code _____ OEM Code _____

Internal Card No. Start _____ Stop _____

External Card No. Start _____ Stop _____

Special Instructions: _____

[1] For new artwork files, contact Customer Service for custom artwork number, lead-times, and cost.

[2] Cards ordered with plain white front and back packaging, with no HID artwork or with custom artwork, will still have a small "HID logo" "HID" and reference number printed in the lower left-hand corner and a slot punch target printed on the back of the card.

[3] The external card number is placed in the bottom right-hand corner on the back of the card.

[4] Cards are provided with an optional slot punch at no additional charge. Some video imaging printers cannot accommodate pre-slot punched cards. Please consult with the printer manufacturer prior to ordering.

[5] For Laser Engraved external numbers, consult factory for lead times and cost.

[6] Programmed as a sequential 12 digit number.

* The composite construction is recommended for all cards that will have an over-laminate applied.
