

## RF IDEas Partner Program

Thank you for your interest in the RF IDEas Partner Program. Below are some simple guidelines that will assist us both and ensure that your logo and information are featured in the Partner Page section of the RF IDEas website ([www.rfideas.com/partners/partnerlist/](http://www.rfideas.com/partners/partnerlist/)):

1. **Content:** It is the partner's responsibility to provide RF IDEas with:
  - A. High Resolution (300 dpi) Logo
  - B. A short description of your company, the product, service, solution you offer that utilizes RF IDEas readers
  - C. Appropriate URLs, and links to the RF IDEas branded products you offer on your website
  - D. RF IDEas product must be clearly branded as RF IDEas products, using RF IDEas brand names (pcProx®, AIR ID®, pcSwipe®, etc.)
  - E. Appropriate method to contact partner (general or specific email addresses, phone numbers, and business address)
  
2. **Reciprocity:** As a condition of being listed in the RF IDEas Partner Page, we ask you the partner, to provide RF IDEas with an in-kind listing in your Partner section or equivalent.

As part of our reciprocal agreement, we will provide partners with our [Branding Guidelines](#), high-resolution logos and product [photographs](#) as needed, as well as product descriptions if necessary.

RF IDEas will review and evaluate each request individually, and confirm that the RF IDEas products, and associated product names and brand names are used correctly. We reserve the right to remove a partner listing if the reciprocal agreement is not observed.

*Please note that our Partner Page contains randomization technology. This insures that no partner receives higher placement over another. Each time the page is loaded, the order is changed.*

Thank you for your cooperation, and we look forward to a mutually successful partnership relationship.
