

10 STEP QUICK START INSTALLATION GUIDE

How to install the pcProx configuration utility (version 5.2.33) to test and/or configure your reader.

*Please note that you will need Admin rights on your Windows computer to install.

<u>Step 1:</u> Connect your reader to a Windows PC.

Step 2: Confirm that you have a solid red light on the reader.

<u>Step 3:</u> Download and install the pcProx configuration utility from the rfIDeas website, found here:

https://www.rfideas.com/sites/default/files/2020-02/pcProxConfig-5.2.33%20.zip

Step 4:

Open and extract the pcProxConfig-5.2.33_0.zip file and double click to open the pcProxConfig.exe file to begin the setup installation.

Z:\Users\kbinkowski\Downloads\pcProxConfig-5.2.33 (5).zip\
